

For: Carl J. Tope

Location: Section 21, Township 36 South, Range 4 West, W.M.

Purpose: To survey and describe a portion of the Tope property to be transferred.

Procedure: Since the boundaries of the Tope property had been established by a previous survey made by myself, used the monuments then set as a control for this survey and established the boundary of the tract to be transferred as directed.

Monuments set as shown on the map to accompany this report.
