3" Pipe with cap & +

1/4 Sec. Cor.

Written narrative to accompany Plat for Survey No. 408
as specified by Oregon Law.

Purpose of survey , to stake out lots 9,10, 21 & 22 in
Block 3 of C.& D. Subdivision in the City Of Medford, Jackson
County, Oregon.

A 3" Iron pipe with Brass cap was located at a distance of
591 feet from the 1/4 section corner at Dakota and Hamilton
and an 3/4" Iron Pipe at the North East corner of Hamilton and 12
the street. set up the line control for Hamilton Street. I then
ran plat distances around the entire subdivision tying all
monuments as shown on the plat for controls,

Set 5/8" Iron rods at the corners of lots above mentioned
as shown on the plat.
