327 S.E. 6TH STREET GRANTS PASS, OREGON LOGGING ENGINEERS O. & C. RIGHTS-OF-WAY LAND SURVEYING AND MAPPING

Survey of Portion of St of NEt of Section 16, T 35 S. R 4 W Jackson County, Oregon

I started this survey from a point 37 feet west of section corner of sections 9, 16, 15 & 10, T 35 S, R 4 W, W. M. I then ran a straight line from this point to another point 37 feet west of $\frac{1}{4}$ corner of sections 15 & 16.

After proportioning the lot dimensions as deeded to the various owners, I set temporary stakes on the 37 feet effset line parallel to the section line.

I then offset 23 feet from these stakes, west to the true corners of lots along the north and south property line which line is 60 feet west of section line. Iron pipes were set at all corners established.
