

Survey Narrative to Comply with Section 87-330

Oregon State Law (1947)

Survey For: L. J. BIGHAM

Purpose: To Monument and describe the new outside boundaries of the Abel and Bigham properties, fronting on Oak Street in Oak Knoll Subdivision in the City of Central Point, Oregon.

Procedure: Made an extensive survey in the area bounded by Pine Street, Freeman Road, Oak Street and Ninth Street and tied in and coordinated many iron monuments set for Lot corners in this area.

These Lot corner monuments were used for property boundary control wherever possible, and new descriptions prepared to front said property on the Northerly boundary of Oak Street, all as shown on the attached map.
