Survey For

ELK LUMBER COMPANY 8

## Survey Narrative to comply with Paragraph 209.250, Oregon Revised Statutes

FOR: Elk Lumber Company and Waldo Mye

PURPOSE: To re-establish lost Government corners and establish 1/16 Section corners in Sections 13, 14, 15, 22, 23, and 24, Township 32 South, Range 3 East.

PROCEDURE: Traversed those boundaries shown with solid lines on the attached map with transit-chain, computing and setting the corners by proportionate measurement.

All monuments set were of the standard Elk Lumber Company type, being l' galvanised iron pipe with 22 lead-filled top stamped for the particular corner represented.

Meridian was obtained by Solar Observations near the North 1/4 corner of Section 15 and near the Southeast corner of Section 14.

For further information on the corners set, see the official re-established and established corner records at the County Surveyor's Office.

**April 1956**
