

Survey Narrative to comply with Paragraph 209.250,
Oregon Revised Statutes

FOR: E. M. Tucker

PURPOSE: To establish the West 1/16 Section corner between Sections 24 and 25, Township 33 South, Range 1 East, Willamette Meridian.

PROCEDURE: Traversed with transit-chain the South boundary of Section 24 between the previously re-established Southwest and Southeast corners thereof. No evidence could be found of the original South 1/4 corner.

On a single proportionate measurement, set the West 1/16 and the 1/4 corner, recording the establishment of same in the appropriate volumes in the County Surveyor's office.
