

Written narrative to accompany plat for survey No. 890

Survey for Mrs. Roberts, Kellington and Branchfield, Medford, Ore.

Location Just south of Melrose Ave, between Grape and S.P.R.R.
in City of Medford, Jackson County, Oregon.

Date July 1956.

Procedure.

Having previously found and used the two street center monuments at the center of Melrose and Grape, and Melrose and Fir, from which the two 5/8" bars were set on the north line of Melrose, these bars was now used to orient the center of Melrose Avenue. Found the 1" bar at the Northeast corner of Carlton Add Block 6 Lot 12 and a Bar for he northeast corner of Lot 9 Block 3 Carlton Addition we intersected the D.L.C. line on Stewart Avenue and turned the angle 89° 42' as shown. We then set the northeast corner for the Carlton Addition, from this point the deed description reads East parallel to the D.L.C. Line to the westerly line of the Railroad Right of way. We then ran intersections and set pins for the tract as shown on the plat. 5/8" bars were used for all monuments set as shown.
