Survey No. 895

Survey Narrative to comply with O.R.S 209-205 and O.R.S. 209-120

Survey for: Mr. A. Summers

By: Edw. A. McGinty

Sec. 1, D.L.C. # 55, T. 37 S, R. 2 W.

PRECEDENCE OF SURVEY:

Purpose of survey was to divide parcel of land shown being a portion of deed of records Vol. 277 page 576.

The southeast corner of DLC 55 seems to be questionable as being in its original location according to records. From the northeast corner of DLC 55, designated to me by a resident of the locality for approx. 50 years, checks southeast corner close to record on distance north and south, also checks reasonably close to tie to the north line of Section 1, also found latest location Central Point Market Rd. indicates it varies some what from previous location of the old Central Point Market Rd. of record.
