DATE: July 13, 1984

BASIS OF BEARINGS: Filed Survey No. 1325

PURPOSE: 1. To indicate by survey map, the recording of the boundary line agreements as referred to by Filed Survey No. 9934.
2. To prepare and record a Minor Land Partition map as approved by the Jackson County Planning Department.

PROCEDURE: No additional field work was performed by this office regarding the subject tracts previously monumented on Filed Survey No. 9934.

It should be noted that Parcel 'A' of tract described in Ins. No. 80-26443, O.R. is more definitive than Parcel 'C' as referred to on Filed Survey No. 9934.

Additional information regarding the "North boundary of that tract described in Ins. No. 83-05089, O.R." is a deed record positioning, wherein the existing fence line of unknown validity falls some 8 feet Southerly from said deed record positioning.
