Written narrative to accompany plat for survey NO. 1008

Survey for Richard W. Mellum, Marshall Avenue.

Located in Unrecorded Kings Acres, Jackson County, Oregon.

Date of survey July 13, 1957.

Purpose to locate lines of tract.

Proceedurs, Having previously used the center at Marshall and Kings Highway, we next located the center at Marshall and Peach street. We then turned the angle at Marshall and Kings Highway for bearing, and chained along the center of Marshall Avenue 870 feet to the point of beginning of the tract being surveyed, we then set 5/8" bars at all corners of the tract as shown on the plat.
