SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250  
OREGON REVISED STATUTES

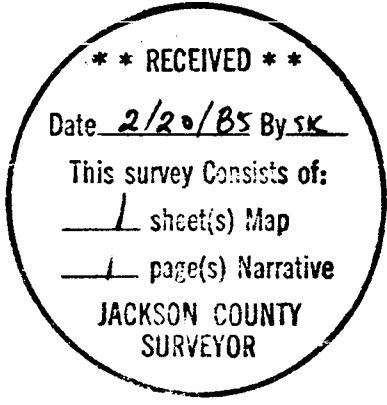

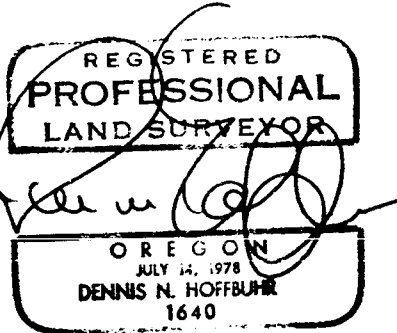

SURVEY FOR: J.A. Hoffbuhr  
2776 East Side Road  
Jacksonville, OR 97530

LOCATION: Northwest one-quarter ( $\frac{1}{4}$ ) of Section 36,  
Township 37 South, Range 1 East, Willamette  
Meridian, Jackson County, Oregon

PURPOSE:

To file this map with the Jackson County Surveyor's Office for Public Information. We were contacted by Terry Nickerson of the local B.L.M. office concerning some monuments they had found along the West line of said Section 36. A review of our files found this map which had failed to be filed with the Surveyor's office. It appears that a search was made for the one-quarter ( $\frac{1}{4}$ ) corner common to Sections 35 and 36, but lack of substantial evidence led to proportioning of said one-quarter ( $\frac{1}{4}$ ) corner and the North one-sixteenth ( $\frac{1}{16}$ ) corner as shown on the attached map.
