PURPOSE:

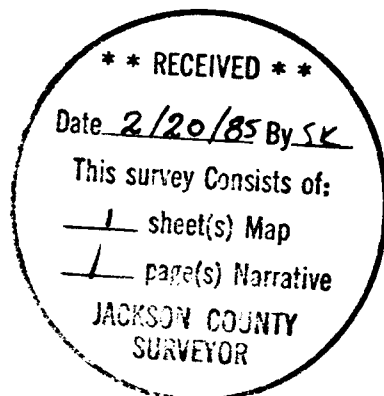

To file this map with the Jackson County Surveyor's Office for Public Information. In November, 1984, we were requested to locate monuments established by this office in 1966 around the boundary of Tax Lot 903, 39-1W-Section 3. These monuments were found as shown on the attached map. It is not known whether monuments were set on other parcels as shown on this map, but felt it important to file this map.
