Survey Narrative to Comply with Paragraph 209.250,
Oregon Revised Statutes

FOR: V. L. Wright

PURPOSE: To monument and describe 7 parcels within the Wright ownership in Section 25, Township 36 South, Range 2 West.

PROCEDURE: Found Sectional and street control monuments shown as previously set by this office when platting FOREST ACRES SUBDIVISION. Monumented the parcels as shown, using the Meridian from said Subdivision.

According to the Plat of Roguelands Irrigated Orchard Tracts, it appears that the West line of Lot 71 laps the Sixteenth Section line East boundary of FOREST ACRES. However, the title of both tracts originally split on the one-sixteenth line, and said line was considered the property line in this survey.
