Survey No. 10511

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250.

Survey for: Mr. Jack Cramer
P.O. Box 788
Medford, Oregon 97501

Location: Located in the southeast quarter of Section 5, Township
40 South, Range 3 West of the Willamette Meridian,
Jackson County, Oregon.

Purpose: To mark the west line of the northwest quarter of the
northwest quarter of the southeast quarter of said
Section 5, and to set a line marker on the north line
of said southeast quarter.

Procedure: This section had been previously subdivided by me in
1980, during the performance of filed survey number
8683. By utilizing survey control from said survey no.
8683 for bearing and coordinate basis I established the
relationship of those monuments found and shown on the
accompanying map.

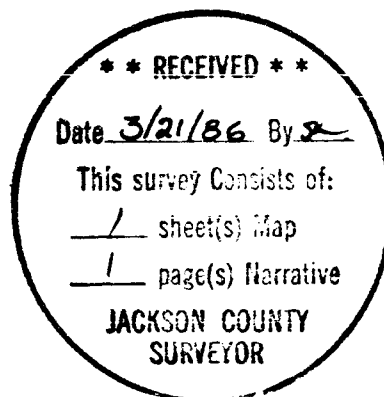

Steel "T-type" fence posts were set along the line and
the distances between same are displayed on the accom-
panying map. These posts were set at intervisible inter-
vals if trees and brush were removed.
