Morton Grove, Il. 60053

PURPOSE: To monument the corners and mark the boundary lines of the W1/2 of the N.E.1/4 of the S.W.1/4 of section 7, T40 S, R4E.

PROCEDURE: The true Meridian for this survey was determined by solar observation near the West 1/4 corner of section 7. The controlling section corners for the subdivision of the S.W.1/4 were traversed to and the resulting proportionate division of said S.W.1/4 was determined as shown on the accompanying map. The W1/2 of the N.E.1/4 of the S.W.1/4 was then established on the ground by running the true lines as shown. Wood stakes were set at 150' intervals along said lines.
