SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR:

Norman E. Pitts
800 Elk Creek Road
Trail, OR 97541

LOCATION:

Southeast quarter (1/4) of Section 30, Township 33 South, Range 1 East of the Willamette Meridian, Jackson County, Oregon.

PURPOSE:

To survey, monument and perform a boundary line adjustment for the purpose of establishing the deed boundary line on the average meanderings of an existing fence line as shown on the attached map. The subject property and properties to the North and South were redescribed to reflect this correction.

PROCEDURE:

Located existing monuments as shown per Survey No. 3371 and utilized this control for our basis of bearing. Set monuments in an existing fence line as shown with their relative location noted from the South 1/4 corner of Section 30. It is intended on both the South and North boundaries that the line established between the witness monuments be extended to intersect the Easterly right of way line of Elk Creek Road and the East line of the West half (1/2) of the Southeast quarter (1/4) of said Section 30.
