Ashland, Oregon 97520

Survey No. 10612

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES

SURVEY FOR: City of Central Point
P.O. Box 3576
Central Point, Oregon 97502

LOCATION: Situated in the Northeast quarter of Section 10, Township 37 South,
Range 2 West of the Willamette Base and Meridian, Jackson County,
Oregon.

PURPOSE: To reference out the street monuments at the centerline intersection
of 2nd and East Pine Street and South 2nd and Oak Street prior to
reconstruction of South 2nd Street.

PROCEDURE: Recovered the stone with cross thereon at the intersection of 2nd
and East Pine Street as reported on Recorded Survey No. 79. Recovered
the 5/8 inch iron rod at the intersection of South 2nd and Oak Street
as reported on Recorded Survey No. 3547. Took references at both
street intersection locations; However, when construction commenced
the City of Central Point limited construction from the approximate
southerly right of way of East Pine Street to and including the entire
intersection of South 2nd and Oak Street. Therefore, as set forth
in Oregon Revised Statute 209.150, remonumentation of South 2nd and
Oak Street was necessary and is as shown on the accompanying map.
