JACKSON COUNTY
SURVEYOR

Survey No. 10853

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250.

Survey for: Don Campbell and Kenneth N. Owen
P.O. Box 622
Jacksonville, Oregon 97530

Location: Located in the southeast quarter of Section 29,
DLC No. 90, Township 37 South, Range 2 West of the
Willamette Meridian, Jackson County, Oregon.

Purpose: To monument the parcel in Instrument No. 86-23218
and the building lot line as requested by my clients.

Procedure: I incorporated, in a closed traverse, the found
monuments shown on the accompanying map. On the
south line of Shafer Lane I held the 1/2 inch iron
pin and the 3/4 inch G.I.Pipe to be the physical
location of said line. Lovejoy said he set 5/8
inch iron pins on filed survey no. 2523. A 5/8
inch iron pin was recovered, obliterated by cul-
tivation, at the easterly end of the curve on the
south line of Shafer Lane. I proportioned in the
remaining monuments between the 3/4 inch G.I.Pipe
and the northerly line of filed survey no. 3331.
The easterly R/W line of O.S.H. No. 238 and the
northeasterly line of filed survey no. 8590 was
held on the westerly side of this parcel. I set
a monument as shown at the intersection of these
lines.

Bearing is based on the westerly line of filed
survey no. 3331.
