JACKSON COUNTY  
SURVEYOR

PLAT OF SURVEY  
FOR  
**WILLIAM AND THOMAS PITTOCK**  
LOCATED IN SECTION 14, T.38 S., R.4 W.,  
W.M., JACKSON CO., OREGON.  
SCALE: 1" = 400' DATE: SEPT. 1987.  
SURVEYED BY: L. J. FRIAR & ASSOCIATES  
MEDFORD, OREGON.

Survey No. 11026

Survey Narrative To Comply With O.R.S. 209.250

Survey For: William & Thomas Pittock  
2885 Lapine Street  
Medford, Oregon 97501

Location: Section 14, Township 38 South, Range 4 West,  
Willamette Meridian, Jackson County, Oregon.

Purpose: The Bureau of Land Management made a survey of portions of Section 14 in 1983 and established corners which did not agree with corners of previous private surveys in the section. This survey was made, in part, to show the new location of fractional lines within Section 14, to establish the center-north one-sixteenth corner, the north-east one-sixteenth corner, and to monument the boundary of tax lot 407.

Procedure: The new corners set by the Bureau of Land Management in 1983 were tied in to the control traverses from previous surveys in Section 14 done by this office and the fractional lines were calculated and corners set as shown on the annexed map.

Date: October 29, 1987
