Iron Pipe

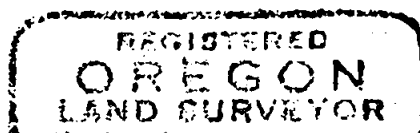

Survey narrative to comply with Section 87-330 Oregon State Law of 1947

For: Sam Pollard, Ashland, Oregon

Purpose: To divide original tract into several portions.

Procedure: Began survey at the Southeast corner of D.L.C. # 41 and Southwest corner of D.L.C. 42, all in Township 38 South, Range 1 East W.M., Jackson County, Oregon, which corners are marked with iron pipes set and referenced according to reestablishment by Jackson County, Surveyor, from these corners I surveyed the boundaries of the various tracts shown according to the bearings and distances shown on the accompanying map. I placed regulation iron pipes at all property corners and angle points along the property lines.
