SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR:

David Weathers  
1542 Saratoga Dr.  
Woodland, Ca. 95695

PURPOSE:

To monument the corners and mark the lines of the tract described in Doc. No. 87-17785 of the Official Records of Jackson County.

PROCEDURE:

A traverse was run between the C.W. 1/16 section corner and the 5/8" iron pin on the Northerly right of way of Buckingham Circle tying in various monuments in between per Recorded Survey No. 3295.

As these intermediate monuments have been disturbed by fence construction, the line between the C.W. 1/16 corner and the monument at Buckingham Circle was used for control. Said tract was then monumented according to Deed Record bearing and distance from the C.W. 1/16 corner. The origin of the found 5/8" iron pin on the Westerly right of way of Rogue River Drive at Sta. 48 93.83 is from a Jackson County Road Dept. survey which is unrecorded at this time.
