3/4" iron pin per  
Survey No. 8423

Survey narrative to comply with Paragraph  
209.250, Oregon Revised Statutes.

The point of beginning for that tract described in D.R.  
Vol. 365 at page 291 is the intersection of the N-S ctr.  
line of Sec. 20 with the sw'ly. R/W line of Cobleigh Rd.

Inasmuch as a retracement of said road was not considered  
economically feasible since only the south line of said  
tract was desired monumented, it was determined to set the  
southwest corner of said tract at a total record distance  
of 2084 feet South of the 1/4 corner and redescribe be-  
ginning at said southwest corner.

Accordingly, only the point of beginning in the original  
description will be changed and the record dimensions  
remain unchanged.

The client owns the adjoining parcel to the South.
