Survey Narrative to Comply with ORS 209.250

Survey for: Boise Cascade Corporation  
P. O. Box 100  
Medford, Oregon 97501

Location: Section 1 Township 39 South,  
Range 3 East, Willamette Meridian,  
Jackson County, Oregon

Purpose: To Mark Property Lines and Set  
Fractional Corners

Procedure: A closed control traverse was ran around  
Section 1 tying in controlling section  
corners. The sectional subdivision of  
the N.W. 1/4 and the S.W. 1/4 was then  
computed in proportion to the original  
survey plat.

Property lines indicated on the attached  
map were ran and marked by blazing and  
painting trees and attaching aluminum  
tags, marked BCC/PL.

The following corners were used or  
established by this survey.

1. Section corner common to Section 35
