BASIS OF BEARINGS: Filed Survey No. 2685

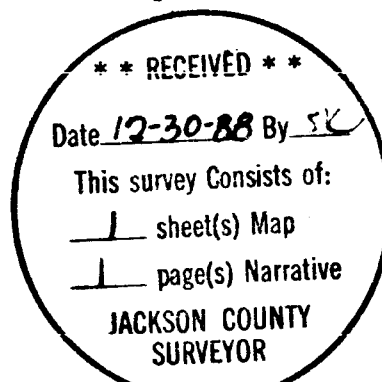

DATE: December 29, 1988

PURPOSE: To monument and describe in three
tracts as directed by client, Tax Lots
100 & 200, 371W 19DC. The overall parcel
comprises Lots 20, 21, 22, 23 & 24, Block
2 of said LAURELHURST ADDITION.

PROCEDURE:

Found the two centerline monuments on Mae Street, at
Saling Avenue and Stevens Street, as previously monumented on
Filed Survey No. 2685. The bearings and the East-West
distances as established on said Filed Survey No. 2685 were
used to compute the closure for the East half of said Block
2. The E.D.M. distance between said monuments on Mae Street
checked the 1965 survey within 0.07 feet. This procedure on
Mae Street was further varified by Filed Survey No.s 4780 &
6569.

It should be noted that the monuments set on Filed
Survey No.s 891 & 2152 were disregarded because the method of
proportionate measurement was not utilized. Proportioned the
individual lot lines and the monumented the tracts as shown
on the map accomanying this report.
