

Survey Narrative to Comply With Paragraph 209.250

Oregon Revised Statutes

FOR: Mel Younger and Vern Turpin

PURPOSE: To monument West and East one-sixteenth section corners and the 1/4 section corner between Sections 8 and 17, Township 37 South, Range 2 West. Also to monument and describe a parcel as directed.

PROCEDURE: Traversed Westerly from the Southeast corner to the Southwest corner of Section 8 and set the 1/16 section corners and the 1/4 corner as shown (also see the official re-establishment and establishment records).

Monumented the parcel as shown, setting wooden hubs for the approximate location of the Northerly property line, and the description was prepared to definitely fix all boundaries of the parcel except the North boundary.

Meridian was established by solar observation.

October 1958
