SURVEY NO. 11665

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES

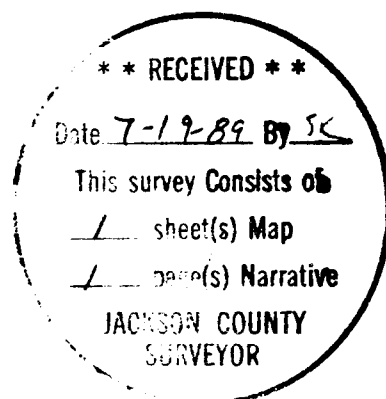

SURVEY FOR: Ronald Reagan
4913 Table Rock Road
Medford, Oregon

LOCATION: Northeast $\frac{1}{4}$ of the northwest $\frac{1}{4}$ of Section 1,
Township 37 South, Range 2 West, WM.,
Jackson County, Oregon

PURPOSE: To locate and monument the southeast corner of
that parcel described in Instrument No. 89-09144
of the Official Records of Jackson County.

PROCEDURE: Survey No. 6864 was referred to for control of
this survey, using the line between the N $\frac{1}{4}$ corner
and the C $\frac{1}{4}$ corners of Section 1 to determine
bearing control. The centerline of Table Rock
Road was then determined using a bearing of South
00°02'00" West. The bearing shown on the map of
Survey No. 6864 of South 00°02'00" East is evident-
ly a drafting error. The deed calls were then
used to determine the location of the parcel.
