SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

Survey for:

Joachim Matz c/o Joe Naslund

8151 Upper Applegate Road Jacksonville, Oregon 97530

Location:

Located in the northeast quarter of the northwest quarter of Section 8, Township 39 South, Range 4 West of the Willamette Meridian, Jackson County, Oregon.

To monument the non farm parcel as per Jackson County Department of Planning and Development File No. 89-87-NF/89-16-MP.

Procedure:

Purpose:

I tied in the BLM monuments as shown on the accompanying map. These monuments are shown on an official plat approved on August 22, 1977. The ties to these monuments compared with the record bearing and distances are within acceptable tolerances. I therefore computed the location of the lot lines from the BLM map and placed the non farm parcel on the property as shown on the accompanying map.

Bearing is based on the line between the west 1/16 witness corner and the northwest section corner of said BLM map in Section 8.
