SURVEY FOR: Dale Van Wey
PO Box 5236
Central Point, Oregon

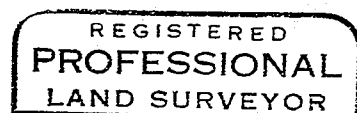

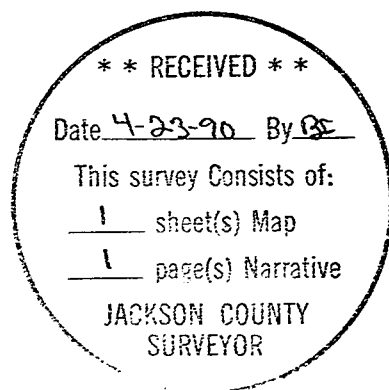

LOCATION: Southwest quarter-section of Section 9
Township 37 South, Range 2 West, WM.
Jackson County, Oregon

PURPOSE: Lot line adjustment (Jackson County Planning
File No. 89-84-LLA).

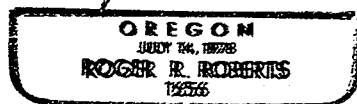

PROCEDURE: The three parcels involved were originally created
by a major land partition in 1976, and recorded in
Volume 1, Page 18 of Major Land Partitions. The
map of the partition is filed in the Office of
the County Surveyor as Survey No. 6459.

Monuments from the partition survey were
located and checked for accuracy. The adjusted
locations of the lot lines were then monumented as
shown on the map and new descriptions written for
the resultant parcel configurations.

Basis of bearing: Survey No. 6459
