LOCATION: SW ¼ OF SECTION 8,  
T. 37 S., R. 1 W., W.M.

BASIS OF BEARINGS: FILED SURVEY NO. 3839

DATE: OCTOBER 26, 1990

PURPOSE: 1. To monument the West boundary of a 1.00-Ac ± tract proposed to be consolidated with the property described in Instrument 83-09739, Official Records.

**\*\* RECEIVED \*\***  
Date 11/1/90 By SK  
This survey consists of:  
1 sheet(s) Map  
1 page(s) Narrative  
JACKSON COUNTY  
SURVEYOR

2. To prepare the necessary descriptions so that the deeds can be recorded as per instructions of approval. (See County Planning File #90-70-LLA, dated September 17, 1990).

PROCEDURE: The East line of the subject properties was established the deed record distance of 24.00 chains (1584.00 feet) Easterly along the "East-West" centerline of Section 8 from the Quarter corner common to Sections 7 & 8, thence run due South, being the procedure utilized on Recorded Survey No. 3839.

A search was made for the two pins set for said line of Filed Survey No. 3839 with negative results. In that the property lying Easterly from this line is owned by Medford Ready-Mix Concrete, Inc., (See Ins. #84-20607 O.R.) being a joint-user of the property described in Instrument No. 83-09739, O.R., the true positions of these pins is no longer an important control for this line.

Monumented the desired boundary with witness corners as shown on the map to accompany this report.
