SURVEY FOR: JACKSON COUNTY

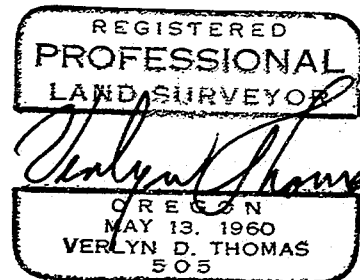

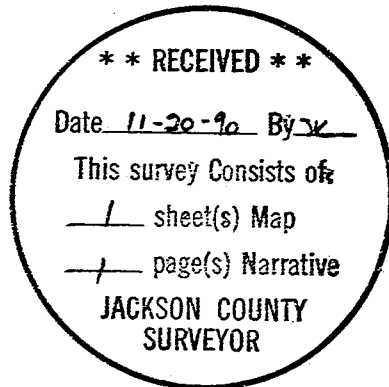

SURVEY BY: Verlyn Thomas
Jackson County Surveyor
County Courthouse
Medford, Oregon 97501

DATE: July, 1990

LOCATION: Northeast $\frac{1}{4}$ Section 1, Township 37 South, Range 2,
West, Willamette Meridian, Jackson County, Oregon.

PURPOSE: To determine the Westerly boundary of a portion of the Medford-
Jackson County Airport property for fence construction.

PROCEDURE: Monuments previously established by Survey Numbers #11237,
#8613, #9847, #10681 and Orr Subdivision adjacent to the Airport property were
recovered. These recovered monuments were tied by survey to the public land
corners shown on the accompanying plat. Additional corner monuments were
established according to property descriptions. Bearings are based on Survey
No. 11236 for the North-South centerline of said Section 1.
