

Survey No. 12382

**SURVEY NARRATIVE TO COMPLY WITH CHAPTER 209 PARAGRAPH 250
OREGON REVISED STATUTES**

SURVEY FOR: OFFICE OF COUNTY ADMINISTRATOR
County Courthouse
Medford, Oregon 97501

SURVEY BY: Verlyn Thomas
Jackson County Surveyor

DATE: January, 1991

LOCATION: Block 6, Original Town of Jacksonville, located in the
Northwest Quarter of Section 32, Township 37 South,
Range 2 West, Willamette Meridian, Jackson County, Oregon.

PURPOSE: To survey and monument a parcel as requested by the Office of
the County Administrator.

PROCEDURE: Research of filed surveys revealed Survey No. 2836, which monu-
mented the subject parcel in 1965. An examination of legal descriptions for
the various parcels in Block 6 quickly revealed that the description for Parcel
II of the County property, as described in O.R. 69-00184, is not excepted from
the description for the adjacent property thereby apparently incurring an
overlap of two feet.

Monuments established or referred to by Survey No. 2836 were recovered,
along with a 5/8" rebar with plastic cap stamped "D.McMahan L.S. 1913".
Additional monuments were set as shown on the accompanying plat.

BASIS OF BEARING: Survey No. 2836.
