DATE: March, 1991

SURVEY FOR: Wayne Zimmers  
2860 Springbrook Road  
Medford, Oregon 97504

PURPOSE: To monument the parcel of land shown on the attached map.

PROCEDURE: I located the section and quarter corners and D.L:C. corner as shown. I located the centerline of Mitchellen Place per Survey no. 2427. I located monuments set in Survey no. 3924 for Barnett Road extended but they were so far off of the legal description for Barnett Road based on that survey that I held the description calls. I set monuments per deed record as shown on the attached map.
