SURVEY NO. 12805

SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES

FOR: U.S. West Communications
132 West Fourth Street
Medford, Oregon 97501

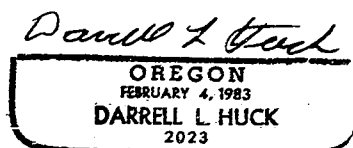

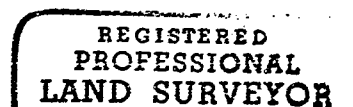

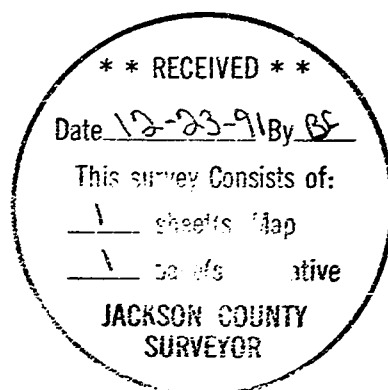

LOCATION: Southwest one-quarter (1/4) of Section 35,
Township 38 South, Range 1 West of the
Willamette Meridian, Jackson County, Oregon

PURPOSE: To survey and monument an easement location
as described in Instrument No. 91-19855,
Official Records, Jackson County, Oregon

PROCEDURE: Utilizing a one-second theodolite and
electronic distance measuring equipment a random traverse was run
tying found monuments from Recorded Survey No. 2696 and Recorded
Survey No. 6380. Road control for the centerline of Yank Gulch
Road has been established for Recorded Survey No. 2696 and I
refer you to the narrative of that survey for the procedure used.
Using found monuments from that survey and the 1910 road notes I
determined a location for the centerline of Yank Gulch Road. The
Jackson County Public Works Department has surveyed and
monumented Wagner Creek Road as shown on Recorded Survey No.
6380. With the location of the road intersection determined the
location of the easement was computed and monuments set as shown
on the attached map.
