

**SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250  
OREGON REVISED STATUTES**

**SURVEY FOR:** Department of Parks and Recreation  
County Courthouse  
Medford, Oregon 97501

**SURVEY BY:** Verlyn Thomas  
Jackson County Surveyor  
County Courthouse  
Medford, OR. 97501

**DATE:** June, 1992

**LOCATION:** Southwest Quarter of Section 20, Northwest Quarter of Section 29  
and the Northeast Quarter of Section 30, Township 39 South, Range  
2 East, Willamette Meridian, Jackson County, Oregon.

**PURPOSE:** To survey and monument the access road from Greensprings Highway  
No. 66 to Jackson County's Emigrant Lake Park.

**PROCEDURE:** Research of the road records produced a survey of the subject road  
by Public Works in 1962 and 1968, and a map filed as 12/4. In attempting to  
retrace this survey, it became apparent the road as constructed was not going  
to fit very well. Therefore, it was decided to survey the road as constructed.

The first section of the road was held as monumented by Survey Nos. 3697  
and 5242, being the location for old Highway No. 99. The balance of the road  
was then located and monumented as shown on the accompanying map.

The right of way for Greensprings Highway was determined from O.S.H.D. map  
dated 1957, revised in 1972 and filed in the County Surveyor's records as Map  
99/4.

**BASIS OF BEARINGS:** U.S.G.S. triangulation Stations Klamath Junction and Pilot  
Rock, with grid bearing reduced in azimuth by  $-1^{\circ}26'46''$ .
