SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

Survey for: David D. Lowry
13931 Damon Lane
Saratoga, Ca. 95070

Location: Located in the Southwest Quarter of Section 11, the Northwest Quarter of Section 14 and the Northeast Quarter of Section 15 in Donation Land Claim Numbers 81 and 82 all in Township 38 South, Range 1 West of the Willamette Meridian, Jackson County, Oregon

Purpose: To survey and monument the property line adjustments as approved by the Jackson County Department of Planning and Development, File Numbers 92-79-LLA and 92-97-LLA

Procedure: In a closed traverse I tied the controlling monuments utilizing Geodetic Control to determine the Deed Location of the Properties shown hereon. The original land owners, Amelia B. Ferns and C.T. Payne (Volume 81 on Page 263 of the Deed Record of Jackson, County, Oregon) were in common agreement as to the location of their property and conveyed Knope Road to Jackson County for road purposes. Subject to that parcels were conveyed and Deeds written with erroneous calls to the Section corner common to Sections 10,11,14 and 15 of the above described Township and Range and to the Southwest Corner of Dedicated Land Claim Number 81 (now obliterated). Under advice from my client's attorney I monumented the lines of occupation and the physical location and center line of Knope road as shown on the accompanying map in regards to the above mentioned Property Line Adjustments in the Prurpose section of this narrative.
