SURVEY NARRATIVE

Survey for;
Rose Brendlin
1959 Pine Grove Rd.
Rogue River, OR

Survey by:
Robert Mason

Grants Pass, OR

SURVEY in the Southeast Quarter of Section 9, Township 35 South, Range 4 West of the Willamette Meridian, Jackson County, Oregon.

PURPOSE: To locate and monument the South line of T.L. 714 to provide a reference for power (underground) easement for properties to the West.

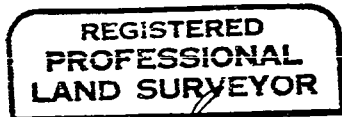

PROCEDURE: The location of subject line is dependent on the subdivision of the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Sec. 9. I used data from previous survey no. 7223 to determine the position of this line.

I first locate the South $\frac{1}{4}$ corner and the East 1/16th corner and use the South line of the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ on which to base the meridian for this survey.

I then set the monuments on the South line of T.L. 714 and locate the proposed power line easement.

This narrative is accompanied by a single page plat.
