Survey No. 1360

Survey Narrative to comply with O.R.S. 209-120 and O.R.S. 209-205.

Survey for: Mr. Frank Torrey & Mr. McMillian

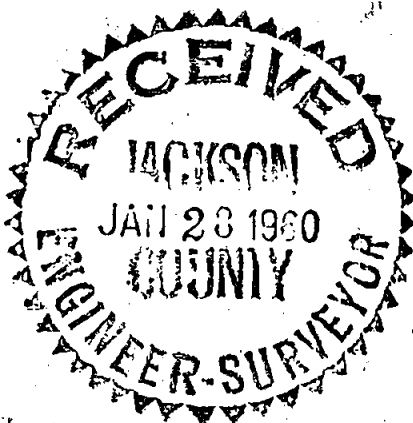

Survey by: Edward A. McGinty, L.S. 1/23/60

BASIS OF BEARING: Solar observation.

PRECEDENCE OF SURVEY:

Purpose of this survey was to separate the tract of land shown and determine the division line according to deed record of a course West.

The center line of the road shown, was determined from existing fence lines and the existing road as instructed by the Co. Engineer's office, The proportion of road running on a course South  $0^{\circ}33'40''$  East is in no way intended to be along the section line between sections 2 and 3, but on the center line of the existing road.
