SURVEY FOR: Gay K. D'Asaro
101 Gresham
Ashland, OR 97520

LOCATION: Northwest 1/4 of Section 16 in Township 40 South, Range 2 East of the
Willamette Meridian in Jackson County, Oregon.

DATE: September 17, 1993

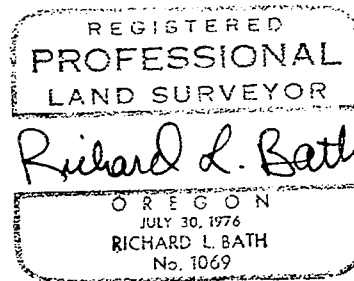

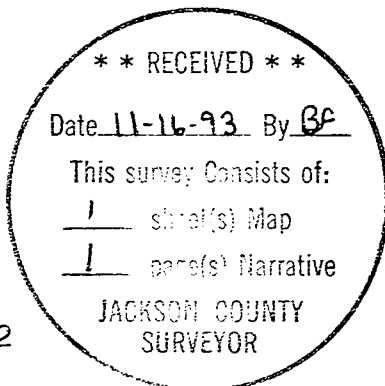

PURPOSE: To survey, monument, and describe a boundary line for the purpose of
preparing a Boundary Line Agreement.

PROCEDURE: Filed Survey No. 12826 was used as a basis for control and location of the
subject boundary line. Due to the ambiguities in the deed descriptions for both
tracts in question, a boundary line was agreed upon in the field between both
property owners, the subject line was monumented and tied to the northwest
corner of Section 16, and a Boundary Line Agreement was prepared and
recorded accordingly. Due to the poor legal descriptions involved in this
situation, County Planning & County Assessor's Office did not consider this to
be a Property Line Adjustment.

BASIS OF

BEARING: Existing traverse control established per S/N 12826

Tax Lots : 402E16, TLs 701 & 702
