MAP OF SURVEY

Of Lot Line Adjustment located in the S.E. and S.W. 1/4 of Section 17, Twp. 36 S, R1W
For: **HOLLIE CANNON**
By: **George Burrell, P.L.S., 1379 Brookdale Medford, Oregon 97504**
Jan. 3, 1994

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR:

Hollie Cannon
2779 Camp Baker Rd.
Medford, OR 97501

LOCATION:

The Southeast and Southwest 1/4 of Section 17, Township 38 South,
Range 1 West.

PURPOSE:

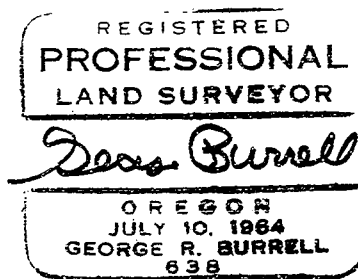

To monument and plat a lot line adjustment between tax lots No.
3200 and 3202 as directed by the client and approved by the Jackson
County Department of Planning.

PROCEDURE:

Bearing and coordinate control was established from the found
monuments of recorded surveys No. 1534, 7416 and 13762. I was
directed by the client to locate the center of Gore Creek as the
adjusted boundary between said tax lots. Therefore, angle points
along the existing average center of said creek were traversed to,
from which witness corners were established as shown on the accompanying
plat. It was impractical to set monuments in said creek.
