SURVEY NO. _____

**SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250
OREGON REVISED STATUTES**

Survey for: Patricia Alley
2509 Congress Way
Medford, Oregon 97504

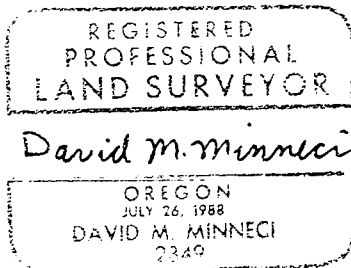

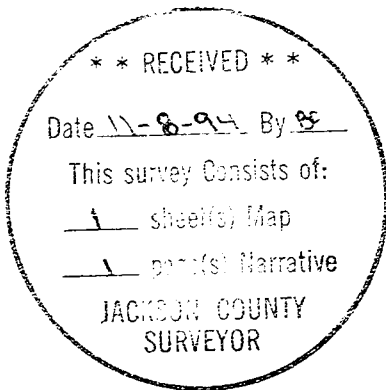

Location: Northwest one-quarter (1/4) of Section 21, Township
37 South, Range 2 West, Willamette Meridian, Jack-
son County, Oregon

Purpose: To survey, monument and prepare a Map of Survey of
two existing tax lots per client's request

Procedure: The legal description of these two tax lots begins
at the Southwest corner of Lot 10, L & N SUBDIVI-
SION, but because of vagueness and inconsistencies
in the L & N SUBDIVISION plat, no specific location
for this point could be computed. Consequently, I
held the most Westerly corner set on Survey No.
1728 as the Northwest corner of Tax Lot 1600 and
used record distance to establish the Southwest
corner. This was in close proximity of the Wester-
ly end of the existing fence line. The remaining
corners were established at record angle and dis-
tance with the relationship to existing fence lines
noted on the accompanying map.
