County, Oregon

PURPOSE: To locate and monument the boundary of those
parcels of land described in Documents No.
94-20120 and 83-00266 of Official Records of
Jackson County, Oregon.

PROCEDURE: The subject parcels are basically described
relative to the exterior and interior lines of
Section 5, which was surveyed by Mr. George
Burrell in June of 1970 (Survey No. 4269).

A field control survey retraced said Survey

Additional deed corners were calculated and
monumented as shown on the survey map.
