OREGON REVISED STATUTES**

Survey for: U.S. West Communications, Inc.
132 W. 4th Street
Medford, Oregon 97501

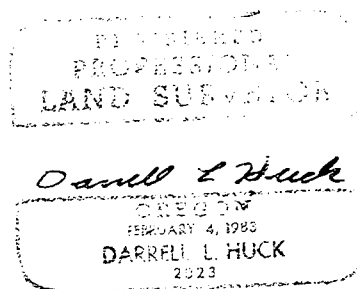

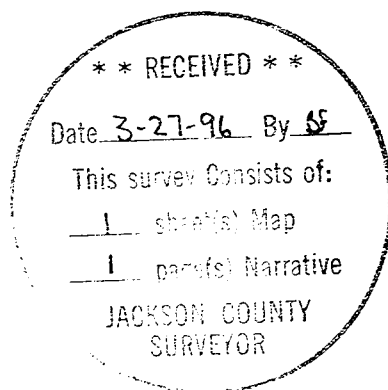

Location: Northeast one-quarter (1/4) of Section 35, Township
37 South, Range 2 West, Willamette Meridian, Jack-
son County, Oregon

Purpose: To survey and monument an easement location as
instructed by client.

Procedure: The boundary of the tract of land which this ease-
ment affects was previously monumented per Survey
No. 13938. Using a one-second theodolite with
electronic distance measuring equipment a control
traverse was run tying found monuments per said
Survey No. 13938. The location of the easement
corners was computed and monuments were set as
shown. The Northwest corner of the easement falls
at an existing fence post, therefore a witness
monument was set as shown.
