SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

FOR:

Margo Morgan  
4323 Old Stage Road  
Central Point, OR 97502

LOCATION:

The Northwest 1/4 of Section 15, Township 36 South, Range 1 West

PURPOSE:

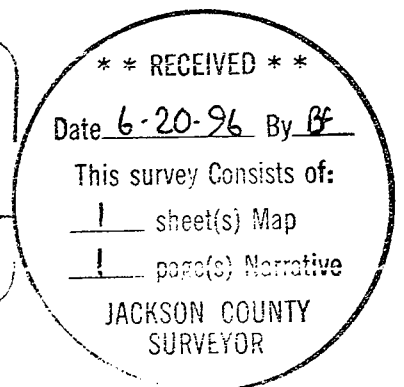

To monument the corners of the tract described in Doc. No. 91-23149 of the Official Records of Jackson County

PROCEDURE:

The record description for this tract and the adjoining tract described in Doc, No. 83-07061 of said official records, overlap along the E-W common boundary and leave a gap along the N-S common boundary. This record ambiguity was discussed with the client and her adjoiner. To resolve this matter, the parties agreed to correct the record by recording a boundary line agreement. These boundaries were then located as directed to conform with the clients record description utilizing the found monuments of Recorded Survey No. 12105 and County Road monuments as shown on the accompanying map. A description was prepared and furnished the client for this purpose.
