- JCDR = Jackson County Deed Records.

BASIS OF BEARINGS: Survey No. 9975.
DATE: July 24, 1996 **UNIT OF MEASUREMENT:** Feet **SCALE:** 1" = 200'

SURVEY NARRATIVE TO COMPLY WITH O.R.S. 209.250

PURPOSE: To survey and monument the corners of the client's property and mark the East, West & South property lines.

PROCEDURE: From control established by this office during Survey 9975, made ties to these corners set by RS10339. The subject tract is described as being a portion of the West 220 feet of the East 440 feet of the W 1/2 of the NW 1/4 of the NW 1/4 of Sec. 8 as measured at right angles to the East line thereof. Computed the fractional lines and the property lines of the subject tract and monumented same. The R/W of Hwy. 66 was held as monumented per RS10339. The pin per RS10339 near the fractional line is not on said line and was not used to control the fractional line but was used only to fix the Hwy. 66 R/W. Those corners found as well as those set are as shown hereon.
