Gold Hill, OR 97525

SURVEY BY: Boyden Surveyors
108 Mistletoe Street
Medford, OR 97501

LOCATION: NE ¼ of Section 15
T. 37 S., R. 4 W., W.M.
Jackson County, Oregon

BASIS OF BEARINGS: E-W centerline Section 15
Re: Filed Survey No. 9567

DATE: December 3, 1996

PURPOSE: To locate the boundaries of tracts described in Instrument Nos. 91-17867 and 81-10108, Official Records, excepting the Westerly right-of-way line of the right fork of Footh Creek (County) Road.

PROCEDURE: Utilizing E.D.M. equipment, ran closed-loop traverses around the two subject parcels, finding supporting monumentation as shown.
At the found Northeast one-sixteenth section corner of Section 15, which I find acceptable within reasonable limits, I take references as follows:
The center of a 6" White Oak, scribed "NE 1/16" in the uncovered upper blaze bears S. 31 1/2° E., 50.8 feet (F.S. 12198 Record = 8" White Oak bears S. 66° E., 4.0 feet).
The center of power pole #R6339 bears S. 76 1/2° E., 33.0 feet.
From said data, set witness corner monuments at positions shown on the map to accompany this report.
