Survey No. \_\_\_\_\_

Survey narrative to comply with ORS 209.250 & 209.120

Survey for: Dale Friend

Survey by : Charles H. Hurst

Basis of bearing: Solar observation from centerline of Gibbon Road, 3:15 P.M., July 16, 1960

Precedence of survey:

Purpose of this survey was to separate the smaller tract of land shown and determine the division between the larger parcel from which said tract was separated, the larger parcel also being separated during the course of the same survey.

Reference point information furnished by the Office of County Surveyor was used to locate the position of the center section corner of section 25 in addition to the two 1/16 corners on the centerline of Gibbon Road.
