

NOTE: _____

This plat was prepared using the record survey data from Survey No. 11739 and as digitized from Assessor's Map No. 34-3E. No on-site surveying was performed as part of the preparation of this plat. Areas are approximate only and are subject to any discrepancies which may be found by an actual survey.

Property boundaries were determined from the descriptions of parcels 20.8, 20.9 and 20.14 in Document No. 96-36366 of the Official Records of Jackson County, Oregon.

This property line adjustment results in the cancellation of Tax Lot 1402 of Assessor's Map No. 34-3E.
