NARRATIVE REPORT

Survey for Mr. Reums

Portion of Fair Oaks Orchard Tracts

Purpose of Survey

Survey was made to establish boundaries of a portion of Fair Oaks Orchard Tracts acquired by Mr. Reums and reservation of small tract within those boundaries.

Procedure

Line and distance was run between the South Quarter corner of Section 27 Township 37 South, Range 1 West of Willamette Meridian and the Section corner common to Sections 26, 27, 34 and 35 the beginning point established on the north line of the 30 foot dedicated roadway of the Fair Oaks Orchard Tracts.

A North-South roadway was established in accordance with the original plat.

The North boundary of this tract was set back South and parallel with bordering tree rows to the North. Bearings were established by Polaris.
