SURVEY NARRATIVE TO COMPLY WITH PARAGRAPH 209.250 OREGON REVISED STATUTES

PURPOSE: To survey and monument a portion of the South line of that tract of land described in Volume 325, Page 34 of Deed Records of Jackson County, Oregon; as shown hereon.

PROCEDURE: Utilizing a 1 (one) second theodolite and electronic distance measuring equipment and Leica G.P.S. equipment, a control survey was run tying found monuments as shown.

The Southeast corner of that tract of land described in Volume 325, Page 34 of Jackson County Deed Records was monumented per Survey No. 1159 in 1958. That same monument was found and used for Survey No. 3550 in 1967 and also for Survey No. 6183 in 1975. Apparently, that monument was destroyed and was reset in 1977 as monumenting the Northeast corner of Lot 11 of LAZY CREEK ESTATES SUBDIVISION.

In the process of doing this survey, a comparison was made of the location of found monuments relative to their record position. The existing monument found near the Southeast corner of Volume 325, Page 34 is not in the same location as was originally set per Survey No. 1159. New monuments were set as shown hereon.
