OF THE D.B.W. POLKOWSKI PROPERTY IN THE SE $\frac{1}{4}$  SE $\frac{1}{4}$  OF  
SECTION 35, T36S, R4W, W.M., JACKSON CO., OREGON, AKA  
ADJUSTED TAX LOT NO. 906, MAP T36-4W-35, 91-95-LLA**

Narrative Description to comply with Par. 290.250, O.R.S.  
(Note 1 map sheet accompanies this narrative).

By: Robert M. Thompson & Assoc., 1140 Acacia Ln., Grants  
Pass, OR 97527

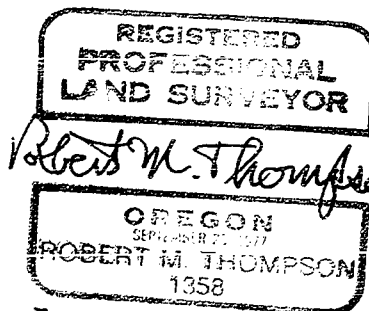

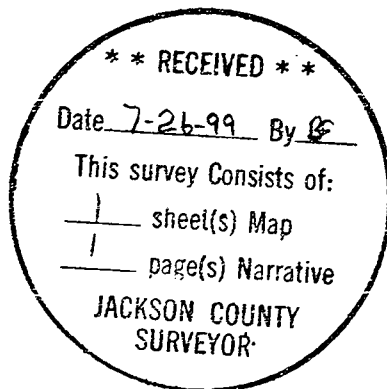

For: D.B.W. Polkowski et al, P.O.B. 1757, Rogue River, OR  
97537

Purpose: To establish points-on-Westerly line for fence  
construction; check South line distance tie to Southeast  
property corner.

**Procedure:**

The present adjusted Tax Lot No. 906 had been established by  
S/N (Survey No.) 12793. Since the immediate present requirement  
was to determine and mark the Westerly property line, between the  
S/N 12793 monuments, as called for in the legal description, the  
Southerly portion of said line (being N 17°36'17"E) was selected  
for a bearing basis. My resurvey is in substantial agreement with  
the S/N 12793 bearings and distances of record. In the case of the  
Northeast corner witness monument, driven at the base of a 14"  
diam. oak tree, it is probable that growth of that tree (since  
1991) forced the monument's top slightly out of the original  
position. Said entire Westerly line is now marked "Prop-Line" on  
"Glo-Top" stakes. The south property line was traversed (over  
broken ground) and computed, to confirm the record distance shown  
on the S/N 12793 map, and the legal description.
